Freelance Musician

Self-employed   📅 2015 - Present   📍 Berlin

- Collaborated with many artists across a variety of genres, including Grammy-Award winning artists.
- Performed in over 100 concerts with top German artists, demonstrating versatility and expertise across major venues.
- Played drums and piano on multiple recordings.

SUMMARY

I am a musician turned Full Stack Developer, seeking my first role after working as a professional drummer for 9 years. I am a fast and eager learner who is ready to apply the skills I have acquired through my experience as a technical assistant in a civil engineering office, bootcamps and intensive self-directed learning.

SKILLS

HTML   CSS   Linux   JavaScript

TailwindCSS   Ruby   Ruby on Rails

Stimulus   PostgreSQL   SQL

Figma   Agile Methodologies

Python   MS Excel   MS Project

MS Visio   PowerBI   Tableau   C

React
